Mexican TVP

Date added: 2024/05/26

Ingredients

- 1/2C TVP
- 1/2C Water
- 1 tsp Tomato Bullion
- 1 Tbsp Nutritional Yeast Flake
- 2 tsp Valentina Hot Sauce
- 1 pinch MSG
- *Optional* A few shakes of Tobasco or similar for some extra heat

Method

1. Combine Water, Tomato Bullion, Nutritional Yeast Flake, Valentina Hot Sauce, and MSG in a microwave safe container and microwave until boiling ~90 seconds.
2. In a heat safe bowl, pour boiling mixture over TVP and stir to combine.
3. Let TVP hydrate, ~5 minutes

Notes

I used Bob's Red Mill TVP for this, so other makes might have different rehydration requirements. So far we've used this in quesodillas and burritos.
